

WORKERS' COMPENSATION INSURANCE

Get all the protection your clients need from a single source. Distinguished Programs now offers Workers' Comp Insurance, giving you the ability to serve your clients more completely with coverage benefits that go above and beyond.

PROGRAM HIGHLIGHTS

- **Low Minimum Premiums** – an important feature for smaller businesses or businesses that experience seasonal fluctuations.
- **Pay-as-you-Go** – especially now, having the ability to pay exactly what you need to and how you want to, is critical for any business today.
- **Onsite Risk Management Training** – with an onsite evaluation to design practical safety solutions to mitigate your risk.
- **HR OnDemand** – get professional HR advice anytime via phone, email or online chat. This will help your clients reduce risk, cost and potential liabilities.

More Than Just Workers' Comp

HR OnDemand

Not every business needs an HR department. But every business with employees has HR questions and needs HR advice at some point.

Ensure your clients have the advice they need to mitigate potential risk with HR OnDemand. Your clients will be able to consult with an HR professional whenever they need to.

- **No Limits on Use.**
- **Free Access to Resources 24/7. 1000's of HR tools, forms, and documents.**
- **Included with Distinguished Worker's Comp coverage.**

AVAILABILITY
